

VACANCY - RECOVERY OUTREACH WORKER

South Community Recovery Network is seeking a recovery-focussed Outreach Worker.

Please note; SCRN has a high percentage of female participants and due to the nature of the referrals we receive there is a genuine occupational requirement to ensure that we recruit a female Outreach Worker.

Therefore, due to the occupational requirements of this role, we are only able to consider applications from females.

Applicants must have lived experience of recovery from drugs and/or alcohol or be able to evidence a commitment to recovery with significant experience supporting people towards recovery.

The main focus of the post will be to support individuals towards recovery and the delivery of harm reduction interventions.

Applicants should demonstrate an understanding of local and national recovery drivers and the ability to work in partnership with statutory and third sector partners.

The shift pattern includes evenings and weekends

Closing Date:	22nd June 2024
Interviews will be held:	Week commencing 2nd July 2024
Location:	Adelphi Centre, South Glasgow
Hours:	37.5 hours
Salary:	£24,255
Employment Type:	Permanent
